

SHIPPING TIMES AND COSTS

Standard Shipping

Delivery in 5-8 working days. Delivery times begin one business day after the order is placed. This date may change for deliveries outside of the US.

You will receive an email containing your Tracking Number once your package has been shipped from our U.S. distribution center. Visit My Order to check the most up-to-date status of your order.

UPS is our courier for all shipments. You will receive an email containing your Tracking Number once your package has been shipped from our U.S. distribution center, approx. 2-3 business days from order date.

Our warehouse is closed for these Holidays. Please plan accordingly as orders will not be shipped out on these dates. All orders are processed automatically, and we are unable to expedite or delay shipping times.

SHIPPING RESTRICTIONS

At this time, we are unable to ship orders to General Delivery, AND P.O. Boxes.

Orders made to any of these addresses will be canceled.

The delivery address of your order must match the country site in which you place your order. Orders made from a different country site than the delivery address will be automatically canceled.
